Continuation of Substance of Interview including description of the general nature of what was discussed:
Claims 7 was indicated as allowed.

The examiner pointed out they were commensurate in scope with the disclosure, noting the example of the specification. Though the prior art included a composition like that of the allowed claims, the thickness was not specified in the art and applicants provided evidence of unexpected results over the prior art, illustrated by comparison in FIGs 3-11, within a range more narrow than specified the prior art range.
